Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915[a]) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

ADULT MEMBER RELEASE AND WAIVER OF LIABILITY

THIS ADULT MEMBER RELEASE AND WAIVER OF LIABILITY (the "Agreement") is made freely, knowingly, voluntarily and without duress as of the _____ day of _____, 20____ by _____, an individual whose address is _____

("Volunteer"),

to, and for the benefit of, THE CALIFORNIA INLAND EMPIRE COUNCIL, BOY SCOUTS OF AMERICA, a California non-profit corporation having its principal office at 1230 Indiana Court Redlands. CA 92374 (the "CIEC" and together with its affiliates, associates and subsidiaries, jointly and severally, the "Council"), and the other Released Persons (as defined below).

In consideration of being allowed to participate in Scouting Activities and Events (as defined below), as well as for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), Volunteer, intending to be legally bound, covenants and agrees as follows:

1. VOLUNTEER STATUS. Volunteer, as a volunteer and on an uncompensated voluntary basis, will participate in activities and events for, on behalf of, involving, relating to, or in connection with, Scouting, Scouting BSA, the Boys Scouts of America, Inc. (collectively, "BSA"), Council (including Order of the Arrow lodges), and Packs, Troops, Crews, Ships and/or Posts ("Units") (including, without limitation, activities, advancement, adventures (both short-term and long-term), camping, camporees, ceremonies, construction and maintenance activities and events, council meetings and events, development and fundraising, district meetings and events, events, "high adventure" events and trips, hikes, lodge meetings and activities, "mix fixes", outings, rendezvouses, product sales, "roundtables", service projects, training, transporting persons and/or equipment, trips, Unit meetings, using equipment and facilities provided by any of the Released Persons, and "wood badge") (jointly and severally, "Scouting Activities and Events"). Volunteer hereby releases to BSA and Council, and authorizes BSA and Council to produce, reproduce, broadcast, and otherwise use, audio recordings, photos, videos, and other depictions, likenesses, or images of Volunteer, in any media form in connection with Volunteer's attendance at or participation in any Scouting Activities and Events, without compensation, for an unlimited duration.

2. ASSUMPTION OF RISK. VOLUNTEER UNDERSTANDS AND CONFIRMS ALL OF THE FOLLOWING: (i) that Scouting Activities and Events can be dangerous, can entail substantial risk (including the risk of death or permanent injury) and can be strenuous; (ii) that **Volunteer is physically and mentally fit, is sufficiently prepared to participate in Scouting Activities and Events, and is not subject to any health issues or conditions that would preclude Volunteer from participating in any Scouting Activities and Events;** (iii) that an inherent risk of COVID-19 and other diseases and viruses exists in any public place where people are present; (iv) that COVID-19 is an extremely contagious disease that can lead to severe illness and death and the Volunteer's participation in Scouting Activities and Events could result in Volunteer contracting COVID-19, suffering respiratory failure and/or death, and transmitting COVID-19 to family or household members and others who may also suffer such effects; and (v) that, according to the Centers for Disease Control and Prevention, older persons, persons who are immunocompromised, and persons with underlying medical conditions (such as chronic lung disease, moderate to severe asthma, heart conditions, conditions that can cause a person to be immunocompromised (including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications), obesity, diabetes, chronic kidney disease and liver disease) are especially vulnerable. By participating in any Scouting Activities and Events, **Volunteer knowingly, assume all risks now or hereafter related to or arising from, any and all Scouting Activities and Events related to COVID-19 illness and exposure to COVID-19.** Volunteer consents to receive any medical treatment deemed advisable for any injury or harm to Volunteer during any Scouting Activities and Events.

3. WAIVER AND RELEASE. Volunteer does hereby knowingly, voluntarily, irrevocably, absolutely and unconditionally release and forever discharge, Council, BSA, Units, and their respective directors, officers, employees, agents, unit leaders, volunteers, donors (solely in their capacity as donors), chartered organizations, chartered organization representatives, and the successors and assigns of all of the foregoing (jointly and severally, the "Released Persons") from, **and covenants not to sue** any Released Persons for, any and all liabilities, claims, demands, costs, losses, obligations, causes of action, damages, deficiencies, expenses (including, without limitation, costs of investigation and defense and reasonable attorneys' fees and expenses), fines, penalties, judgments, awards and assessments of any kind (whether arising from tort, contract or otherwise), which Volunteer may now or hereafter suffer or experience in connection with or as a result of exposure to, or transmission of, COVID-19 at any Scouting Activities and Events.

4. INSURANCE. Volunteer understands and agrees to all of the following: (i) The comprehensive general liability insurance coverage provided by BSA (the "BSA General Liability Insurance"), subject to the terms, conditions and limits thereof, is intended to provide primary general liability coverage for registered adult members and chartered organizations with respect to claims arising out of an official Scouting activity (which generally is considered to be an activity consistent with the values, Charter and Bylaws, Rules and Regulations, operations manuals, and applicable literature of BSA). (ii) The insurance provided to an unregistered volunteer through the BSA General Liability Insurance is excess over any other insurance such unregistered volunteer might have to his or her benefit (usually a homeowners, personal liability, vehicle, or watercraft policy). (iii) The BSA General Liability Insurance does not provide indemnification or defense coverage to individuals who commit intentional and/or criminal acts. (iv) Prohibited activities (as described in the Guide to Safe Scouting and other applicable BSA Policies (as defined below)) are not considered official Scouting activities and engaging in prohibited activities can jeopardize and negate insurance coverage under the BSA General Liability Insurance. (v) The accident and sickness insurance coverage provided by BSA through Council (also known as accident and health insurance coverage) for registered youth and adult members (A) furnishes medical reimbursement in case of death, accident, or sickness within the policy amounts, (B) is excess of any and all other available sources of medical insurance or other health-care benefits, and (C) in the event there is no other primary insurance or health-care plan, may generally pay as primary coverage, subject to the coverage's limits and terms. For more information regarding the BSA General Liability Insurance and prohibited activities, Volunteer is encouraged to review <https://www.scouting.org/health-and-safety/gss/gss10/> and <https://www.scouting.org/health-and-safety/safety-moments/unauthorized-restricted-activities/> and <https://www.scouting.org/health-and-safety/prohibited-activities-faqs/>.

5. COMPLIANCE. In connection with Volunteer's participation in any Scouting Activities and Events, Volunteer shall abide by all applicable laws, rules, regulations and executive orders ("Applicable Law") and the Charter, Bylaw, Rules and Regulations of BSA, and all applicable policies, rules, regulations, orders, operations manuals and other applicable literature, and requests of BSA and Council (including, without limitation, the Guide to Safe Scouting, all applicable BSA codes of conduct, the Scout Oath, the Scout Law, the Explorer Code, camp policies and youth protection policies) (collectively, "BSA Policies").

6. GOVERNING LAW. This Agreement shall be deemed to have been made and shall be governed by and construed and interpreted in accordance with the laws of the State of California without regard to such jurisdiction's principles of conflicts of law. Volunteer, Council and the Released Persons submit to personal jurisdiction in the State of California for the enforcement of the provisions of this Agreement and waive any and all rights to object to such jurisdiction for purposes of enforcing this Agreement. Each and all of the Released Persons are hereby designated and identified as named third-party beneficiaries of this Agreement with the right to enforce this Agreement. **Volunteer agrees that this Agreement is intended to be as broad and inclusive as is permitted under the laws of the State of California and other Applicable Law.**

7. SEVERABILITY. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

8. FACSIMILE. A manual signature on this Agreement, an image of which shall have been transmitted electronically, will constitute an original signature for all purposes. The delivery of copies of this Agreement, including an executed signature page, by electronic transmission will constitute effective delivery of this Agreement for all purposes.

SWIM CLASSIFICATION PROCEDURES

The swim classification of individuals participating in a Boy Scouts of America activity is a key element in both Safe Swim Defense and Safety Afloat. **The swim classification tests should be renewed annually, preferably at the beginning of each outdoor season.** Traditionally, the swim classification test has only been conducted at a long-term summer camp. However, there is no restriction that this be the only place the test can be conducted. It may be more useful to conduct the swim classification prior to a unit going to summer camp.

All persons participating in BSA aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water (e.g., the swimmer's test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth).

ADMINISTRATION OF SWIM CLASSIFICATION TEST (THE LOCAL COUNCIL CHOOSES ONE OF THESE OPTIONS):

OPTION A (at camp):

The swim classification test is completed the first day by camp aquatics personnel.

OPTION B (Council conducted/council controlled):

The council controls the swim classification process by predetermined dates, locations, and approved personnel to serve as test administrators. When the unit goes to summer camp, each individual will be issued a buddy tag under the direction of the camp aquatics director for use at the camp.

OPTION C (At unit level with council-approved aquatics resource people):

The swim classification test done at a unit level should be conducted by one of the following council-approved resource people: **Aquatics Instructor, BSA; Aquatics Cub Supervisor; BSA Lifeguard; BSA Swimming & Water Rescue; or other lifeguard, swimming instructor, etc.** When the unit goes to summer camp, each individual will be issued a buddy tag under the direction of the camp aquatics director for use at the camp.

TO THE TEST ADMINISTRATOR

The various components of each test evaluate the several skills essential to the minimum level of swimming ability. **Each step of the test is important and should be followed as listed below:**

SWIMMER'S TEST:

Jump feetfirst into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

BEGINNER'S TEST:

Jump feetfirst into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.
