

2015 Western Region Bridge of Honor

Eureka!

California's State Motto, meaning "I have found it," and this year we've found the perfect place to begin an adventure for all Sea Scouts—San Francisco's National Maritime Historic Park aboard the *Eureka*. This 19th century wooden steam ferry boat is the largest wooden vessel in existence. Join us on Saturday, July 25th for a Bridge of Honor aboard the *Eureka* where we will recognize individual accomplishments in advancement and successes in program excellence. We'll conclude the evening with music, food and fun, with the backdrop of the beautiful SF Bay in view from our deck.

Many local Sea Scout Ships are beginning their Summer Cruise from San Francisco the following day, and we'd like to extend an invite to scouts from around the Region who may not otherwise have an opportunity to participate in a long cruise. If you would like more info about joining one of the local Bay Area Ships on their adventure, please contact Western Region Commodore Joshua Gilliland at sailwestward@gmail.com.

Date: 07/25/15

Location: Hyde St. Pier, Aboard the *Eureka*

Cost: \$20 Per person for the Bridge

Summer Cruises fees to be determined on a ship-by-ship basis.
