**Browsea Scout-** Emerson's Browsea Scout program allows Scouts to attend either individually or as a small group- no leaders required! Scouts can choose to attend any Camp Emerson session and will either be placed with a host Troop, or organized into a Provisional Troop with other Browsea Scouts and overlooked by experienced Camp Staff.

**Tahquitz Scout-** What's better than one week of camp? A second week! Scouts who attend a second week of Camp Emerson can have twice the fun and more opportunities to earn merit badges. Scouts attend for the low price of \$275.
