CALIFORNIA INLAND EMPIRE COUNCIL CUB SCOUT FAMILY CAMP

Build Your Family Adventure With Us!

Ready for a new kind of adventure? At Camp Emerson, Family Camp is an outdoor adventure designed for your entire family.

It is Scouting's best family getaway.

Outdoor adventure is the promise made to young people when they join Scouting. Boys and girls yearn for outdoor programs that stir their imagination and interest.

Cub Scouting offers many new and exciting opportunities throughout the year. None of which compare to a stay in nature for a youth. To sleep in a tent; to explore the outdoors and learn about nature; to swim and play with their buddies; to learn new skills, these are the Cub Scout Adventures. At Family Camp, take the opportunity to share with your youth in this incredible experience.

Along with all the adventures you will share with your youth, they will be learning through many of the things you both joined Cub Scouting for. Your child joined for fun. You had them join to instill some basic values that Scouting has incorporated for over 110 years. At Family Camp, these core values of Scouting are practiced daily in activities your youth will find to be fun and rewarding. At Family Camp, you get the chance to join with the youth and add to the reinforcement of these values.

We would like to thank you in advance for giving your time this summer to be with your youth in the learning experience we call Family Camp!
