

Scout Leaders and Parents:

As we head into a new chapter of unprecedented events in humankind, I wanted to take a moment to thank you all for your continued commitment not only to Scouting, but especially to each other.

The battle against the spread of COVID 19 is a team event. This fight begins at home as we safeguard our families. However, make no mistake as we are all in this fight together — and we will emerge from the challenge before us a stronger and a more United States of America.

As we do our best to navigate the ever-changing news on the Coronavirus, it is our duty to keep you informed to help you and your Scouts continue your Scouting journey.

With health and safety in mind the Redlands Volunteer Service Center, and Scout Shops will be closed for the time being.

The California Inland Empire Council Staff is dedicated to continue operations and will operate remotely. Our staff will continue their dedicated work and will be available via email and phone for questions, needs and service to you.
