

Merit Badge Program

Snow Valley Mountain Resort is proud to offer the "Winter Merit Badge" program. The Merit Package includes Safety Information, full-access lift ticket, rental equipment (ski or snowboard), and a 1 1/2 hour group lesson. Midweek rates are \$49 and Weekend, Peak Weekend & Holiday rates are \$69.

We believe this program is the best way to introduce Scouts to the fun of Winter Sports, not just to earn their Merit Badge*, but also to increase their awareness and appreciation of the local mountain environment. (*Earning a Merit Badge is not guaranteed. Subject to meeting Scout Merit Badge requirements.)

This program is offered to Boy Scouts and Girl Scouts only. It is our goal to ensure as many children as possible are introduced to the sport of skiing or snowboarding. Scouts who are at the next level or have earned their Winter Merit Badge may still sign up for the Merit Package and take a lesson to improve their skills. Please let us know the type of lesson for each member of your group.

The prices noted on this sheet are available to scouts only. A minimum group size of 10 is required to qualify for the Winter Merit Badge Program. For every 10 paid Scout lift tickets, we will offer one (1) free Adult Leader or Chaperone lift ticket (rentals/lessons not included). Our Group Sales rates are available for family/friends joining your Scout group. Please note that Snow Valley expects Troop Leaders to provide Scouts with Snow Sports Merit Badge requirements and information prior to the Troop's visit to Snow Valley. All participants should have a blue card as Snow Valley does not supply them and cards will only be signed for those meeting the requirements of the program per the details set forth by the Boy Scouts of America.

Snow Valley is also offering an 8am lesson specifically for Scouts on select weekends and holidays. Book early for the best choice of lesson times and dates as space is limited. Ask Kay for details.
