

CIEC Outdoor Ethics and Conservation Committee presents
S_{ave} O_{ur} A_{merican} R_{esources} with Conservation

Saturday, March 16, 2019
Jurupa Mountains Discovery Center
7621 Granite Hill Drive, Jurupa Valley, Ca 92509
8am-3pm
\$20 includes lunch and patch

Boy Scouts

Take the Outdoor Ethics Guide training for the troop position of responsibility or work on a 4-hour conservation project or work towards the World Conservation Award and attend William T. Hornaday Award Merit Badge workshops for:

- | | |
|---|-------------------------|
| -Environmental Science (E.S.) | -Landscape Architecture |
| -Geology | -Nature |
| -Sustainability <small>taught same time as E.S.</small> | -Weather |
| -Insect Study | -Fishing / Fly Fishing |

Adults

- Learn how the new BSA rank requirements affect you and your unit.
- Sign up to take Outdoor Ethics Orientation, Leave No Trace 101, and/or TREAD! Lightly awareness courses.

*Everyone will have a chance to work on a 1.5-hour conservation project at JMDC. Scouts can sign up for a 4-hour conservation project in lieu of merit badges.

For information contact Summer at pearss01@yahoo.com and/or Paula at towonuni@aol.com

Sign-Up Online or Mail by March 1st with \$20.00 to:

(Sorry, no walk-ins or tag-a-longs)

Acct. 1-6801-737-20

Name: _____

Address: _____

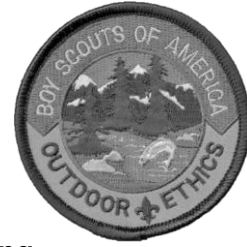

City: _____ State: _____ Zip: _____

Phone: (____) _____ E-mail _____

Unit/Number: _____ District: _____ (See Back)

***Please send one registration per person.**
Adults please check the appropriate box on the back.

- Please bring work gloves, long pants and long sleeves for the project.
- Please bring blue cards for merit badge sign offs.

****Below are some recommended requirements to have completed (bring proof: pictures, video, final project) before attending the SOAR Event. Parents can sign a letter confirming family discussions only. Not completing the recommended requirements might result in a partial blue card. Some merit badges cannot be completed in a day, so a partial will be initialed.**

- Environmental Science: #3e, 3f, 3g, 4
- Geology: none
- Sustainability: #1 (family discussion), Water 2a, Food 2a, Stuff 2a, Energy B or C (bring copies of bills with identity marked out or removed), 5a
- Nature: #4
- Landscape Architecture: #1, 3
- Weather: #3,6,9, be prepared to do #10
- Insect Study: #5,9,10 (We recommend meal worms from the pet store)
- Fishing: #9,10
- Fly Fishing: #6,10

*****Merit Badge Worksheets** are helpful tools for the scouts to list, draw, or plan their merit badge requirements. The worksheets do not replace discussion or hands on requirements and are not considered proof of completing a requirement.

(Participants must have with them current BSA medical Forms Parts A and B)

Please indicate your 1st thru 3rd choice of merit badges. Merit badge workshops will be limited to 10 or less participants. Some badges might be offered more than once. We will do our best to get you into your top 2 choices. Cannot take both Sustainability and Environmental Science.

Choice1: _____

Choice2: _____

Choice3: _____

OR

- Outdoor Ethics Guide training**, lunch, and the 1.5-hour conservation project.
