Advanced youth leadership training

8-Day Program for Boy Scouts – Venturing – Varsity

Expand upon the team-building and ethical decision-making skills learned at National Youth Leadership Training (NYLT). Foxfire uses Mountain Man history as a theme on which the program is built upon.

Three components of Foxfire: Leadership, Teamwork, and Selfless Service. Foxfire offers Scouts and Venturers an exciting experience based on American history, using the core elements of NYLT to make their leadership skills intuitive. Foxfire will equip youth leaders to be better troop and crew leaders, youth leader training staff members and superior camp staff. It will help guide their journey to become true "servant leaders", able to develop all members of the team they lead. Foxfire teaches life skills.
