- **Alpine Area:** The **Big Oak Flat** and **Broken Arrow** campsites are secluded from the other campsites and offer easy accessibility to indoor showers and restroom facilities at the Lake. **Big Oak Flat** accommodates 50 campers and is a 6-minute walk to the assembly area. **Broken Arrow** accommodates 40 campers and is a 5-minute walk to assembly.
- **Explorer Cluster:** These smaller campsites are ideal for smaller units. They offer easy accessibility to the pool and restroom facilities. All these sites are a 3-minute walk to assembly. **Bridger, Fremont and Dan Boone** accommodates 20 campers while Lewis and Clark is ideal for 10 campers.
- **Western Boundary** Campsites are medium sized campsites that offer a blend of privacy and accessibility and each accommodate about 20 campers. **Hayes** is a 3-minute walk to assembly. **Firestone** is a 4-minute walk and **Eagles Nest** is a 5-minute walk to assembly.

Furnished Campsites:

These campsites include 1 wall tent on a platform and 2 beds with mattresses for every 2 campers. These large campsites are often shared with smaller units and are set up to be easily divided into separate unit areas. All these sites offer easy access to restroom, showers, and the Trading Post.

- **Mellor** holds 40 campers
- **Harris** holds 30 campers
- **Coil** holds 30 campers

REFUND POLICY

Because most of the fees that are paid for camps and events are actually spent or committed prior to the actual camp or event, refunds for Council and district camps and activities will be made only under the following conditions:

Request for cancellation of a reservation must meet one of the following criteria:

For the use of Council camps, summer camp, or any overnight camping event, a written request must be received by Volunteer Services at the Council Service Center at least thirty (30) calendar days before the event.

For all non-overnight events, a written request must be received by Volunteer Services at the Council Service Center at least fourteen (14) calendar days before the event.

A request for a refund must be made in writing and submitted by the person who made the original reservation.

Refunds will be paid by Council check and will require the approval of a member of the Council Management staff. The Volunteer Services department will request this approval.

Cancellation requests received by the required deadline may result in a full refund minus a nonrefundable, non-transferable fee for expenses incurred and administration

Exceptions to the deadlines above will be made in the case of an emergency, injury, or illness.

Requests must be in writing and verified by a parent and/or guardian and a physician. The maximum available refund under this provision will be 50% of the total fee paid by the individual.

The implementation of this policy was September 1, 2003.

This policy supercedes any and all previously adopted or implied Refund Policies. I have read and understand the Council Refund Policy and on behalf of our unit agree to abide by its provisions.
